## Sport in Schools Australia Program

### Permission Form

Dear Parents/Carers

Welcome back to the 2021 school year at The Meadows Public School. We continue to strive to provide the highest quality educational programs at TMPS and this also extends to our programs in Physical Education. PE is a mandatory component of the curriculum and this year our school's delivery of Physical Education will be once again supported by the Sport in Schools Australia (SISA) program.

The SISA program will be implemented at The Meadows every **Wednesday** of the school year. Classes will participate on a fortnightly basis in 50 minute intensive lessons. Students in Years 3-6 commenced lessons on Wednesday 3rd February while students in K-2 classes will commence lessons on Wednesday 10th February. In total, each class will have 20 lessons throughout the year.

Lesson blocks throughout the year will cover social skills and teamwork, sports skill development, specific Athletics skill development for track and field event preparation and a program for gymnastics. Each program is delivered by professional, highly qualified coaches.

The cost per student for participation in this program is **\$30** for the entire 20 lesson program. This equates to just \$1.50 per lesson.

Parents / Carers are requested to complete full payment of \$30 per child by no later than **Friday 26th February**. We will not be paying term-by-term in 2021. Once again in 2021, as was the case in the past 4 school years, I will not be asking for 'voluntary contributions' or 'school fees' in an effort to ensure full participation in such programs as Sport in Schools Australia.

Please complete the permission form attached and return with your payment by **Friday 26th February**.

Kind regards

Mr Scott Staveley

Principal
