

Life Education – Healthy Harold

Unfortunately, the educator from Life Education had a family emergency for our originally booked program dates and was not able to make it to our school. Luckily, we have been able to reschedule the booking for next week. This will mean that learning programs for Term 2 have not been interrupted. Children who have not returned permission notes and payment for the program will be engaged in alternate curriculum activities during the session for their class.

NAIDOC Week Celebrations and Activities

Yesterday, all students participated in a series of Aboriginal cultural activities as part of The Meadows PS NAIDOC celebrations. The families of our Aboriginal students were also invited to attend and participate with their children. All students were welcomed with a Smoking Ceremony led by Uncle Elvis. Deadly Ed and his crew facilitated student experiences in a range of activities including dance and spear throwing. Members of our local community also conducted story telling sessions during recess and lunch breaks for all our students to participate in. The day supports ongoing classroom activities to embed indigenous histories and cultures into our daily lives. Thank you to the P&C for holding a BBQ to acknowledge the significance of the day.

Education Week

Education Week 2023 will be held from July 31st to August 4th 2023 (Week 3, Term 3). This year's theme is 175 years of public education in NSW and focuses on learning from our past, celebrating our achievements and embracing the future with confidence. This year marks 175 years since the establishment of public schools in NSW. Founded in 1848, the Board of National Education was formed and tasked with establishing a public education system in NSW.

P&C Meeting

The P&C meeting last week, went ahead with a reasonable representation from the community. The P&C continues to support the school with various events and fundraisers. As with any organization, they rely on the dedication of volunteers to make their contributions valuable. Please continue to think of ways that you can support the P&C. You don't need to hold a position on the committee to volunteer your support. We have had amazing community attendance at events like the Cross Country, Easter Hat Parade and Mother's Day High Tea, however the same handful of parents continue to bare the load for the majority of P&C initiatives. Please reach out to Mindy and the team to ask how you can assist.

Lions Club of Toongabbie Seven Hills

Three weeks ago, we received a donation of a new fridge and freezer for the Breakfast Program, from the Lions Club of Toongabbie Seven Hills. This donation is in addition to the donations from Good 360 that were received last term. Our students are benefitting greatly from the Breakfast Program, with 30-40 breakfasts supplied each morning that it operates. The new fridge and freezer will support the programs continuation for years to come.

Students have been visiting me on a regular basis to share and celebrate their achievements. The introduction of Huey's Hero awards has changed the atmosphere in my office and I enjoy being able to positively reinforce the achievements that they are proud of. I have had many excited students enjoying rewards, some of which have come from the Lions Club's donations.

Wooden you like

to know what 3-6L are making?

After looking at the properties of materials in Science, we decided to make **toys out of wood**.

After a bit of research we designed, and have started building our own wooden toys. Cars, trucks and even helicopters are starting to take shape.

We think these little beauties will last a lifetime.
